Good morning,

I apologize for not responding to yesterday's text sooner. I would like to thank God for you and WGOK for giving us this blessed experience. My husband and I had a wonderful time. We learned about winning in our finances, home, and having dominion.

We were greeted by volunteers, that would call us winners every time we entered the conference. At the Gala we were served an excellent dinner. We met Martha Munizzi at the Gala.

And other wonderful people doing the conference, as well; like Jonathan McReynolds, Travis Greene, Jekalyn Carr, and others. Thank you and 900 WGOK again for blessing us with this opportunity.

And if you need more information and content from me, please feel free to contact me.

Have a blessed day.

Gary: Words of thanks to you and your Team. Our winner was too excited. Read below and above you'll find a photo of her and her husband. Again, Thank you so very Much for the opportunity to be a blessing to a listener and be a part of this great conference.
